

UNITED STATES OF AMERICA  
UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF MICHIGAN  
SOUTHERN DIVISION

---

STEVEN LEE MOY,

Plaintiff,

Case No. 1:08-cv-779

v.

Honorable Robert J. Jonker

INGHAM COUNTY  
PROSECUTING ATTORNEY,

Defendant.

/

**REPORT AND RECOMMENDATION**

This is a civil rights action brought by a state prisoner pursuant to 42 U.S.C. § 1983.

The Court has granted Plaintiff leave to proceed *in forma pauperis*. Under the Prison Litigation Reform Act, PUB. L. No. 104-134, 110 STAT. 1321 (1996), the Court is required to dismiss any prisoner action brought under federal law if the complaint is frivolous, malicious, fails to state a claim upon which relief can be granted, or seeks monetary relief from a defendant immune from such relief. 28 U.S.C. §§ 1915(e)(2), 1915A; 42 U.S.C. § 1997e(c). The Court must read Plaintiff's *pro se* complaint indulgently, *see Haines v. Kerner*, 404 U.S. 519, 520 (1972), and accept Plaintiff's allegations as true, unless they are clearly irrational or wholly incredible. *Denton v. Hernandez*, 504 U.S. 25, 33 (1992). Applying these standards, I recommend that Plaintiff's complaint be dismissed because Defendant Ingham County Prosecuting Attorney is immune and Plaintiff's claim is barred by *Heck v. Humphrey*, 512 U.S. 477(1994).

## **Discussion**

### I. Factual allegations

Plaintiff is currently incarcerated at Standish Maximum Correctional Facility. He was convicted by a jury in Ingham County Circuit Court of homicide, MICH. COMP. LAWS § 750.316, and was sentenced to a term of life imprisonment. Plaintiff sues the Ingham County Prosecuting Attorney. (Compl. at 2, docket #1.) In his complaint, Plaintiff asserts that he was wrongfully convicted because there was no direct evidence that he caused the death of his stepdaughter. (*Id.* at 4.) He further asserts that his constitutional rights were violated because he did not receive a fair trial. (*Id.* at 4-5.) He states that the trial court’s “refusal of the jury’s request for clarification of evidence compromised the integrity and public reputation of the judicial proceedings.” (*Id.* at 5.) Plaintiff seeks monetary damages in the amount of \$7,800,000.00.

### II. Immunity

The Ingham County Prosecuting Attorney is entitled to absolute immunity for his or her actions in prosecuting the criminal action against Plaintiff. The Supreme Court embraces a functional approach to determining whether a prosecutor is entitled to absolute immunity. *Kalina v. Fletcher*, 522 U.S. 118, 127 (1997); *Forrester v. White*, 484 U.S. 219, 229 (1988); *accord Lomaz v. Hennosy*, 151 F.3d 493, 497 (6th Cir. 1998). Under a functional analysis, a prosecutor is absolutely immune when performing the traditional functions of an advocate. *Kalina*, 522 U.S. at 130; *Spurlock v. Thompson*, 330 F.3d 791, 797 (6th Cir. 2003); *Grant v. Hollenbach*, 870 F.2d 1135, 1137 (6th Cir. 1989). The Supreme Court has held that a prosecutor is absolutely immune for the initiation and pursuit of a criminal prosecution. *Imbler v. Pachtman*, 424 U.S. 409, 431 (1976); *Lomaz*, 151 F.3d at 497. Acts which occur in the course of the prosecutor’s role as advocate are

entitled to protection of absolute immunity in contrast to investigatory or administrative functions that are normally performed by a detective or police officer. *Buckley v. Fitzsimmons*, 509 U.S. 259, 273, 276-78 (1993); *Grant*, 870 F.2d at 1137. In the Sixth Circuit, the focus of the inquiry is how closely related the prosecutor's conduct is to his role of an advocate intimately associated with the judicial phase of the criminal process. *Spurlock*, 330 F.3d at 797; *Ireland v. Tunis*, 113 F.3d 1435, 1443 (6th Cir. 1997). Obviously, criminally prosecuting Plaintiff for the murder of his stepdaughter is part of the prosecutor's role as an advocate. Accordingly, the Ingham County Prosecuting Attorney is entitled to immunity.

To the extent that Plaintiff makes allegations against the Honorable William E. Collette of the Ingham County Circuit Court, Judge Collette is also immune. Plaintiff claims that Judge Collette violated his due process rights when he refused the jury's request for clarification of the evidence. Generally, a judge is absolutely immune from a suit for monetary damages. *Mireles v. Waco*, 502 U.S. 9, 9-10 (1991) ("it is a general principle of the highest importance to the proper administration of justice that a judicial officer, in exercising the authority vested in him, shall be free to act upon his own convictions, without apprehension of personal consequences to himself"); *Barrett v. Harrington*, 130 F.3d 246, 254 (6th Cir. 1997); *Barnes v. Winchell*, 105 F.3d 1111, 1115 (6th Cir. 1997). Absolute judicial immunity may be overcome in only two instances. First, a judge is not immune from liability for non-judicial actions, i.e., actions not taken in the judge's judicial capacity. *Mireles*, 502 U.S. at 11. Second, a judge is not immune for actions, though judicial in nature, taken in complete absence of all jurisdiction. *Id.* at 12.

Plaintiff's allegations clearly fail to implicate either of the exceptions to judicial immunity. There is no doubt that determining the proper answer to a question from the jury and

refusing the jury's request to clarify was a judicial act and that Judge Collette was acting within his jurisdiction in presiding over Plaintiff's criminal trial. Accordingly, Judge Collette is absolutely immune from liability. Plaintiff therefore may not maintain an action for monetary damages against him. 28 U.S.C. § 1915(e)(2)(B)(iii).

III. Failure to state a claim

A complaint fails to state a claim upon which relief can be granted when it is clear that no relief could be granted under any set of facts that could be proved consistent with the allegations of the complaint. *Jones v. City of Carlisle*, 3 F.3d 945, 947 (6th Cir. 1993). To state a claim under 42 U.S.C. § 1983, a plaintiff must allege the violation of a right secured by the federal Constitution or laws and must show that the deprivation was committed by a person acting under color of state law. *West v. Atkins*, 487 U.S. 42, 48 (1988); *Street v. Corr. Corp. of Am.*, 102 F.3d 810, 814 (6th Cir. 1996). Because § 1983 is a method for vindicating federal rights, not a source of substantive rights itself, the first step in an action under § 1983 is to identify the specific constitutional right allegedly infringed. *Albright v. Oliver*, 510 U.S. 266, 271 (1994).

Plaintiff challenges his incarceration by the State of Michigan. A challenge to the fact or duration of confinement should be brought as a petition for habeas corpus and is not the proper subject of a civil rights action brought pursuant to § 1983. See *Preiser v. Rodriguez*, 411 U.S. 475, 484 (1973) (the essence of habeas corpus is an attack by a person in custody upon the legality of that custody and the traditional function of the writ is to secure release from illegal custody). Therefore, to the extent that Plaintiff's complaint challenges the fact or duration of his incarceration, it must be dismissed. See *Barnes v. Lewis*, No. 93-5698, 1993 WL 515483, at \*1 (6th Cir. Dec. 10, 1993) (dismissal is appropriate where § 1983 action seeks equitable relief and challenges fact or

duration of confinement); *see also Moore v. Pemberton*, 110 F.3d 22, 23-24 (7th Cir. 1997) (reasons for not construing a § 1983 action as one seeking habeas relief include (1) potential application of *Heck v. Humphrey*, 512 U.S. 477 (1994), (2) differing defendants, (3) differing standards of § 1915(a)(3) and § 2253(c), (4) differing fee requirements, (5) potential application of second or successive petition doctrine or three-strikes rules of § 1915(g)).

To the extent Plaintiff seeks injunctive, declaratory and monetary relief for alleged violations of Constitutional rights, his claim is barred by *Heck*, 512 U.S. 477. In *Heck*, the Supreme Court held that a state prisoner cannot make a cognizable claim under § 1983 for an alleged unconstitutional conviction or for “harm caused by actions whose unlawfulness would render a conviction or sentence invalid” unless a prisoner shows that the conviction or sentence has been “reversed on direct appeal, expunged by executive order, declared invalid by a state tribunal authorized to make such determination, or called into question by a federal court’s issuance of a writ of habeas corpus.” *Id.* at 486-87 (footnote omitted). The holding in *Heck* has been extended to actions seeking injunctive or declaratory relief. *See Edwards v. Balisok*, 520 U.S. 641, 646-48 (1997) (declaratory relief); *Clarke v. Stalder*, 154 F.3d 186, 189-90 (5th Cir. 1998) (claim for injunctive relief intertwined with request for damages); *Wilson v. Kinkela*, No. 97-4035, 1998 WL 246401, at \*1 (6th Cir. May 5, 1998) (injunctive relief). Plaintiff’s allegations clearly call into question the validity of his conviction. Therefore, his action is barred under *Heck* until his criminal conviction has been invalidated.

#### **Recommended Disposition**

Having conducted the review now required by the Prison Litigation Reform Act, I recommend that Plaintiff’s complaint be dismissed pursuant to 28 U.S.C. §§ 1915(e)(2) and

1915A(b), and 42 U.S.C. § 1997e(c), for the reasons stated. Should this report and recommendation be adopted, the dismissal of this action will count as a strike for purposes of 28 U.S.C. § 1915(g).

I further recommend that the Court find no good-faith basis for appeal within the meaning of 28 U.S.C. § 1915(a)(3). *See McGore v. Wrigglesworth*, 114 F.3d 601, 611 (6th Cir. 1997).

Dated: November 25, 2008
